PRE-CONFERENCE SESSIONS

Session No.	Title	Presenter	Description
OSR001	I'm a Pre-K Parent: Deal Me In	Dr. Lucy Cohen	This session will provide assistance for teachers in building a stronger relationship with parents and provide a make/tape session of activities that parents may implement for their children at home. (Parent Relations/Involvement)
OSR002	Beyond the Art Easel: Creative Art Experiences for the Pre-K Classroom	Tara Skiles/ Susan Barlow	Participants will have a hands-on experience exploring multiple art techniques used by classical and modern artists that can be applied in the Pre-K classroom to teach the fundamentals of art. (Music and Art)
OSR003	Creating Amazing Environments	Dr. Rebecca Isbell	Discover how small changes can be made in the environment that will have a big impact on the involvement of young children. Collect new ideas that will help you make your classroom a wonderful place for both you and the children who live in this special place. (Classroom Practices)
OSR004	Standards Based Learning: Early Childhood Mathematics	Delyne Hicks	Participants will utilize materials that support mathematical learning in geometry and measurements. Explore strategies and activities that will support children's learning in these two important math strands.
